

PRESS RELEASE  
9<sup>th</sup> November 2016

From Mr Bob King  
Chairman, Malting Barley Committee

## UPDATE TO MALTING BARLEY APPROVED LISTS HARVEST 2017

The Malting Barley Committee held its Autumn 2016 meeting to discuss the progress of new varieties within the testing system. The outcome was the removal of Sienna for brewing and Olympus for malt distilling. For regional and agronomic information on malting barley varieties the current AHDB Recommended List should be consulted (<http://cereals.ahdb.org.uk/varieties>)

The updated IBD Approved List, incorporating the changes described above, is given below:
